Subject: LENDER LTD. - EPD Seller Notification

To: John Tomlanovich

Attached are EPDs for your review.

A total of 8 loans for this month.

Please check to ensure borrowers did not send any payments to you as misdirected payments are the main reason for many EPDs.

I also included pay history and loan comments to help you with your review.

After your review, please call me to discuss some solution in resolving this matter.

I would like some type of resolution on the loans with status of "Putback Notice".

As a reminder, you can also request a Scratch and Dent Bid as an alternative to resolving the EPDs.

Let me know if you need additional information or if you want to set up a conference call to discuss loans in detail.

Thank you.

Greg,

I don't have a list of brokers that were approved while with Lender (our database is not configured in a way that allows me to pull that info.) and our database that holds all of our files while Lender Ltd. dba Creative Mortgage Lending is Mortgage Builder.

- 1.) Can you please refer to the reports in MB in order to get a complete list of loans that were closed under Lender Ltd. dba Creative Mortgage Lending?
- 2.) Can you please refer to the original copies of all the Lender Ltd dba Creative Mortgage Lending broker agreements that are being held in your office in order to complete this list?
- 3.) Do you want us to execute the amended assignment and assumption agreement and send it back to you?

Please let me know. Thanks.
